Vol.01, Issue 03, July 2024 - Sep 2024

From CMD's Desk

Dear Readers

I thank everyone for sending me congratulatory messages and emails for being bestowed with 'Excellence in Infrastructure Equipment Rental Services Award' by Shri Nitin Gadkari, Union Minister of Road Transport & Highways. It would not have been possible without your trust and support.

Recently, India witnessed an unprecedented natural calamity in Wayanad district that caused loss of lives, displaced thousands of people and damaged property and infrastructure. It was heartening to see that industry also came forward to support government for Wayanad Disaster rehabilitation on the appeal of CII Foundation. AGGCON also contributed to it. I also appeal to India's infrastructure equipment rental industry to reach out to CII Foundation and help in Wayanad's rehabilitation.

I also appreciate the efforts of JCB Operator Subhan Khan from Haryana who rescued nine people trapped on the Prakash Nagar bridge across the Munneru river raging during floods in Khammam in Telangana. It was an act of bravery and selflessness. Only a trained and experienced operator can do this.

My page cannot be complete without message of planting trees. Repeat efforts are needed. Climate change is not a new concept. Earth's climate has changed naturally over the past 650,000 years, moving in and out of ice ages and warm periods. Concern this time is, the climate change that we are experiencing today is not so much a result of natural phenomenon as it is of human activity. So, it has to be corrected by us urgently and growing trees is the simplest and most inclusive way to do it.

So, befriend trees! Plant at least one 'Tree of Friendship' every month.

Sincerely,
Jitender Aggarwal
Chairman & Managing Director

AGGCON conferred with "Excellence in Infrastructure Equipment Rental Services" Award by Nitin Gadkari

Union Minister of Road Transport & Highways Nitin Gadkari gave the "Excellence in Infrastructure Equipment Rental Services" Award to Jitender Aggarwal, CMD, AGGCON Equipments International at the ABP Live India Infrastructure Conclave 2024 in New Delhi. The conclave was held at The Hyatt Regency.

During the ceremony, Mr Jitender Aggarwal, also gave a 'Tree of Friendship' to Shri Nitin Gadkari with a 'Tree of Friendship' memento.

Shri Nitin Gadkari, has transformed the roads and highways of India and has also been promoting the use of bio fuels for energy security and to fight the menace of climate change.

After receiving the award, Mr Jitender Aggarwal thanked ABP Group, and dedicated the award to every member of AGGCON team, and to India's equipment rental industry.

Shri B.M. Aggarwal, Chairman AGGCON Group & 'the man of equipment rentals' was also present during the award ceremony.

AGGCON, a leading and fastest growing equipment rental company has been serving the nation collectively for over 50 years now with excellence and trust in the field of infrastructure.

AGGCON donates Rs 12.21 Lakh to PM Cares Fund & PM National Relief Fund on Narendra Modi's Birthday

On the occasion of birthday of Prime Minister Narendra Modi on 17 Sep, AGGCON contributed Rs 11 Lakh to the PM Cares Fund, furthering the public cause under his remarkable leadership. AGGCON also donated Rs 1.21 lakh to PM National Relief Fund.

Greeting honourable PM on his birthday, Mr Jitender Aggarwal, CMD, AGGCON said, "Your unparalleled vision and leadership have not only made Bharat a self-reliant and strong nation but also a global force. Under your stewardship, we are marching towards Viksit Bharat 2047, shaping a future filled with prosperity, innovation, and infrastructural excellence.

"You are not just the 'Param Mitra' (PM) of every Indian, but also the Vishwakarma of modern Bharat. It is no coincidence that your birthday and Vishwakarma Diwas are celebrated together. Like the divine architect, you have transformed India into the fastest-growing economy and a beacon of hope for the world", he added.

AGGCON celebrates its relationship with L&T

AGGCON's relationship with L&T is over 30 years old now. It has always been an honour to work with L&T and serve it for such a long time with excellence. Being L&T's rental partner in so many prestigious projects in these years has helped us to contribute effectively in India's infrastructure development.

We are part of L&T's journey since 1990s including L&T's first Delhi Metro Project in 1999 for three packages – Seelampur, Shastri Park, ISBT.

Larsen & Toubro is a pride of the nation. Today it is known worldwide for its diverse segments - industrial technology, heavy industry, engineering, construction, manufacturing, power, information technology, military and financial services.

Thanking Mr S N Subrahmanyam, Chairman & Managing Director, L&T for continued support, AGGCON's CMD Jitender Aggarwal said, "In our relationship of 30 years with L&T, I feel very satisfied when I see L&T had zero complaints with us. It shows good relationship between L&T and AGGCON. We have always taken inspiration from L&T for adopting best practices in our business. I am glad to share that when in 1999 during the time of Delhi Metro Project, I used to visit L&T site office, I saw everyone including visitors at the L&T office used to get some snacks/light breakfast in the evening. I adopted this practice in our office and it is still followed".

AGGCON thanks L&T for trusting us and for your continued support and cooperation.

Q&A with AGGCON on India's new budget

Murray Pollok
Managing Editor, IRN & Director of Content, IRN

28 August 2024
4 min read

Listen to this article

Jitender Aggarwal, chairman and managing director of AGGCON Equipments International, one of India's largest equipment rental players, talks to IRN about the likely impact of the government's new budget, announced in July.

AGGCON is active in India's infrastructure and construction market through the rental of cranes, piling equipment, concrete pumps and road building equipment. Based in Faridabad on the outskirts of New Delhi in northern India, the company has been active since 2001 and employs more than 600 people.

IRN: Our first question is to ask about the main thrust of the government budget and how will it impact the rental business?

Jitender Aggarwal: In Prime Minister Narendra Modi's third term, government has assured that it would continue with the reforms and focus on infrastructure development and would work with three times the speed. This is encouraging and is expected to pave a way for faster growth for the infrastructure equipment rental industry.

Further, the Prime Minister's mission - Viksit Bharat 2047 - will drive the infrastructure development of India. It is also estimated that by 2047, 51% of India's population is likely to be living in urban centres. So, urbanisation is expected to happen at a faster pace, creating a demand for urban housing and infrastructure.

In the 2024 Budget, government has made it clear that infrastructure is a priority sector by allocating ₹11,11,111 crore (₹124 billion) for capital expenditure, which is 3.4% of GDP, and said it will maintain strong

India-based equipment rental company AGGCON Equipments International has been awarded the Excellence in Infrastructure Equipment Rental Services Award.

The company received the award from India's Union Minister of Road Transport & Highways Nitin Gadkari at the ABP Live India Infrastructure Conclave & Awards 2024.

The Rental Time reported that Jitender Aggarwal, chairman and managing director, dedicated the award to every member of AGGCON team, and to India's equipment rental industry.

He said, "The infrastructure equipment rental industry is contributing remarkably to India's infrastructure development".

Commitment to Cleanliness, Environment, and Social Responsibility: AGGCON's Continued Support for National Initiatives

In today's world, cleanliness, hygiene, and environmental sustainability (LiFE—Lifestyle for Environment) have become essential pillars for the well-being of society. Under the visionary leadership of Prime Minister Narendra Modi, these values have gained unprecedented importance, with his flagship initiatives, such as the Swachh Bharat Mission and LiFE, focusing on instilling these principles among citizens nationwide.

To further promote these crucial values and contribute to the national cause, Shri Jitender Aggarwal, CMD of AGGCON Equipments International (P) Ltd., along with Shri B.M. Aggarwal, Chairman of AGGCON Group, met Shri Manohar Lal Khattar, the Honourable Union Minister of Housing and Urban Affairs, at his residence. The purpose of the meeting was to present a cheque for Rs 31 lakhs from AGGCON's CSR (Corporate Social Responsibility) funds to the Swachh Bharat Kosh as part of the Sewa Pakhwada initiative. The Ministry of Housing and Urban Affairs serves as the nodal agency for the Swachh Bharat Mission in urban areas.

This contribution reflects AGGCON's ongoing commitment to national welfare and social responsibility. Notably, last year, during Sewa Pakhwada, AGGCON had contributed Rs 75 lakhs, with Rs 25 lakhs each donated to the Swachh Bharat Kosh, National Defence Fund, and the PM CARES Fund. Such consistent support underscores AGGCON's dedication to fostering cleanliness, national security, and disaster relief initiatives.

Shri Jitender Aggarwal expressed his heartfelt gratitude to Shri Manohar Lal Khattar for taking time out of his busy schedule to engage in this significant discussion. He described the Minister as a person of great humility and determination, whose lifetime of service has been dedicated to the nation's progress. Shri Khattar's tenure as Chief Minister of Haryana, spanning nearly a decade, has witnessed remarkable developments across the state, characterized by his leadership in governance and transformative reforms. His visionary approach has not only uplifted the state's infrastructure but also significantly advanced its social and economic landscape.

Discussion on National Reforms and Infrastructure Growth

During the meeting, Shri Aggarwal and the Honourable Minister engaged in a discussion centered on the continued reforms and governance measures being spearheaded by Prime Minister Narendra Modi during his third term. Special emphasis was laid on India's growing focus on infrastructure development as a critical component of the nation's economic revival and global competitiveness. AGGCON, being a leading player in the construction equipment industry, reiterated its commitment to supporting the government's vision of building a robust, sustainable, and future-ready infrastructure network.

AGGCON's Role in Promoting Social Welfare Initiatives

The meeting also provided an opportunity for AGGCON to share its continued support for Beti Bachao, Beti Padhao, a campaign close to the heart of Shri Manohar Lal Khattar. Since the inception of this initiative in Haryana, AGGCON has been a proactive participant, embedding the principles of gender equality and education for the girl child within its organizational culture. As part of this commitment, AGGCON celebrates the birth of a girl child in its team members' families by offering a Rs 10,000 cheque and ensuring free school education for the daughters of its employees.

This gesture not only aligns with the broader national goals of empowering women and girls but also fosters a culture of inclusivity and equal opportunity within the company, making AGGCON a strong advocate for societal transformation at the grassroots level.

Supporting Environmental Sustainability: 'Tree of Friendship' and the Pran Vayu Devta Pension Scheme

In line with its commitment to environmental sustainability, AGGCON has been actively involved in promoting initiatives that aim to preserve and protect nature. Shri Aggarwal apprised the Minister of AGGCON's support for the Pran Vayu Devta Pension Scheme, an innovative program introduced during Shri Khattar's tenure as Chief Minister of Haryana. This scheme was designed to ensure the care and nurturing of old and mature trees, which are vital for maintaining ecological balance.

Building upon this, AGGCON has launched its own initiative, the 'Tree of Friendship' Mission, aimed at planting trees across India to contribute to the fight against climate change and environmental degradation. During the meeting, Shri Aggarwal presented Shri Manohar Lal Khattar with a symbolic 'Ficus Panda' sapling, representing the mission's ethos of nurturing friendship with the environment. AGGCON has successfully planted over one lakh trees across various regions in India as part of this mission, embodying its deep-rooted commitment to creating a greener and healthier planet for future generations.

Learning never stops at AGGCON

Training is the continuous process of improving skills, gaining knowledge, and clarifying concepts through specific educational sessions by which the productivity and performance of the team can be enhanced.

We, at AGGCON, keep organizing the training sessions for teams in association with experts from various organizations.

Recently, Human Resource Department of AGGCON organized a training session in association with L&T Construction Equipments, on L&T's PTR (pneumatic tire rollers) for our team members drawn from various departments at our head office.

L&T Construction Equipment Limited Team - Mr G Arokia Dass, DGM, Training Centre), Mr Himanshu Bhatt (Service Engineer), Mr Mrityunjay Kumar Sharma (Sales Engineer) and Mr Harpal Singh (Asstt Manager) conducted the training session on the safe operations and maintenance.

It was an interactive session and gave AGGCON team an enriching exposure. That's how AGGCON serves the infrastructure sector with excellence.

At the end of the session, AGGCON team gave "Trees of Friendship" to L&T team and explained the significance of planting trees, and adopting LiFE (Lifestyle for Environment).

We thank L&T Construction Equipments Training Team for doing this valuable session.

AGGCON contributes to Wayanad Rehabilitation

Recently, India witnessed an unprecedented natural calamity in Wayanad district causing loss of lives, displacing thousands of people and damaging property and infrastructure.

Therefore, for the cause of Wayanad Disaster Rehabilitation, AGGCON has contributed Rs 50000/- to Confederation of Indian Industry Foundation.

Jitender Aggarwal, CMD, AGGCON said, "We have always worked for communities across India, and our CSR policy is based on the philosophy of giving back to the society".

He has also appealed to India's infrastructure equipment rental industry to contribute to Wayanad Disaster Rehabilitation.

"I believe social responsibility begins with a strong, competitive company. Only a healthy enterprise can improve and enrich the lives of people and their communities."

Jack Welch

ACE Executive Director Sorab Agarwal meets AGGCON CMD

Sorab Agarwal, Executive Director, Action Construction Equipment Ltd. (ACE), visited AGGCON's head office and met Mr. Jitender Aggarwal, Chairman & Managing Director.

Jitender Aggarwal congratulated Sorab Agarwal and wished him the best for their plans of establishing Joint Venture between ACE and Japan based KATO Works to produce medium and large sized cranes.

The two leaders discussed the current scenario of the Indian Rental Industry and Construction Equipment Industry and prospects of future growth. They also discussed about Union Budget 2024-25, and opportunities for mutual growth.

CMD AGGCON also explained him about - Tree of Friendship mission, significance of green credits and told him that AGGCON always cares for sustainable development and environment and gifted him a plant, and requested Mr Sorab Agarwal to plant it in earth within a week, nurture it and help it grow.

AGGCON CMD meets Punjab's PWD Minister

AGGCON CMD Jitender Aggarwal met Shri Harbhajan Singh ETO, Minister of Power & PWD, Govt of Punjab and discussed about the infrastructure policies and opportunities in Punjab.

During the meeting Mr Jitender Aggarwal also highlighted the significant role of infrastructure equipment rental industry in the infrastructure development of the country.

Shri B.M. Aggarwal, Chairman AGGCON Group was also present in the meeting.

Shri Jitender Aggarwal also gave a memento to the Minister, thanking him for his contribution to the progress and development of Punjab, and for his distinguished services to the nation. He also gave the minister the 'Tree of Friendship', and requested him to plant it in earth and nurture it so that his act can inspire and sensitize people towards climate change and heal the earth & environment, and plant more trees.

Shri Jitender Aggarwal said, govt's focus on infrastructure will open plethora of opportunities for rental industry and pave way for its faster growth.

Dr Vibha Dhawan, DG, TERI lauds AGGCON

Dr Vibha Dhawan, Director General, TERI - The Energy and Resources Institute has congratulated Mr Jitender Aggarwal, CMD AGGCON for the “Excellence in Infrastructure Equipment Rental Services” award by Shri Nitin Gadkari, Minister of Road Transport & Highways.

She said, “this recognition is a testament to AGGCON’s unwavering commitment to excellence and innovation in the infrastructure sector”.

She also said, “It has always been a pleasure to witness AGGCON’s dedication and leadership in providing path-breaking rental solutions for over 50 years. I am confident that this award will further reinforce your position as a key player in India’s infrastructure development”.

Dr Vibha Dhawan is known for her contribution for developing policies for sustainable development. She is also currently a member of the Networks Strategy Council that advises Sustainable Development Solutions Network – a global initiative for the United Nations.

During ABP Live India Infrastructure Conclave 2024, Jitender Aggarwal, CMD, AGGCON had met Dr Vibha Dhawan and gave her a memento, thanking for her contribution towards sustainable development.

During the meeting, he lauded her work and also talked about his mission – Tree of Friendship, to plant trees and to sensitize people towards climate change and to heal the earth & environment.

He said, her views on ESG Goals are significant for every company for moving towards sustainability.

He also gave a Tree of Friendship to Dr Vibha Dhawan and requested it to plant in earth and nurture it so that it can inspire other people for planting trees.

SANY India Head visits AGGCON

On the auspicious day of Ganesh Chaturthi, Mr Deepak Garg, Managing Director, SANY, India & South Asia, a well-known name in Construction Equipments Sector, visited our Head Office along with Mr RAJEEV KUMAR SINGH, Vice President, SANY India, and met Mr Jitender Aggarwal, CMD, AGGCON.

Mr Garg is a dynamic and extremely knowledgeable person with a keen foresight about the Indian Rental Sector. It was a long and enriching meeting over lunch of approximately 4 hours. They discussed the current scenario and future of the rental sector and growth opportunities in Modi 3.0 which is focusing on infrastructure and urgent need of skill development in the sector.

Both agreed that government will have to work with twice the speed in next five years as compared to the speed in last 10 years. A very interesting discussion was about the latest technology equipments and other equipments like Trench Cutters, TBM, Heavy Capacity Rigs and Cranes. EVs and their future was also the part of discussion. Mr Garg and Mr Aggarwal also discussed the possibilities of AGGCON and SANY to work together and closely for more business. The two also discussed about the bauma China and bauma CONEXPO India, and the latest equipments that are likely to be showcased there.

Mr Jitender Aggarwal thanked Mr Deepak Garg and presented a ‘Tree of Friendship’ to him with a request him to plant it in earth within a week, nurture it and help it grow. He further explained him about the initiative and the significance of green credits, and told that AGGCON always cares for sustainable development & environment.

AGGCON CMD meets SD Sharma, Director, Premier Heavy Lift

AGGCON CMD Jitender Aggarwal visited Premier Heavy Lift and met the veteran and industry leader in India's crane rental industry, Mr S D Sharma, Director. He was accorded warm welcome. An extremely generous and humble personality, Mr Sharma is always receptive to new ideas and willing to consider other's perspectives. Mr Aggarwal gave him a thank you memento for his distinguished services to the nation and his valuable contribution to the growth of India's rental industry. The two industry leaders discussed about the future of the rental market and rental industry's contribution in the infrastructure development of the nation, and how the rental industry leaders can further shape the industry for the new challenges and future.

AGGCON congratulates Tata Projects

AGGCON congratulated Tata Projects and Noida International Airport for achieving an incredible milestone of 40 million safe man-hours in Noida International Airport project.

Jitender Aggarwal, CMD, AGGCON said, "Truly, this achievement reflects Tata Projects' safety and excellence in every aspect of work".

He also said, "As AGGCON is also the part of this project as a rental partner and our operators have also been appreciated for their excellent work, we have seen that Tata Projects and Noida International Airport have strictly followed all compliances for safety, quality work and best practices"

RV infrastructural MD Suchit Aggarwal meets AGGCON CMD

Mr SUCHIT AGGARWAL, Managing Director, RV Infrastructural Pvt Ltd, a humble and spiritual person, and has a progressive vision about the rental industry visited AGGCON's head office and met Mr Jitender Aggarwal, CMD, AGGCON. They discussed about the infrastructure equipment rental industry and opportunities in sector, and about the climate change. Both agreed that infrastructure equipment rental industry has been contributing well to India's infrastructure development but more is needed for its growth. They also discussed that there is an urgent need of a strong rental association to represent infra equipment rental industry effectively, for policy advocacy and to work for rental industry's interests.

Mr Suchit Aggarwal also gave a beautiful gift to Mr Jitender Aggarwal on the occasion of completion of 25 glorious years of R V Infrastructural Pvt Ltd. Mr Jitender Aggarwal congratulated him and thanked him for his distinguished services to the rental industry and for supporting the 'Tree of Friendship' mission.

He also gave Mr Suchit Aggarwal, a souvenir of Ram Lala as a memory of this meeting and a Tree of Friendship, and requested him to plant the tree in earth and nurture it, as this act will inspire others to plant more trees, to heal the earth and environment.

Kamal Builders MD Kamal Jalan meets AGGCON CMD

Mr Kamal Jalan, Managing Director, Kamal Builders, a dynamic and visionary entrepreneur visited our Head Office today and met Mr. Jitender Aggarwal, CMD, AGGCON. They discussed the current scenario of the infrastructure sector and growth opportunities in the market.

Mr Jitender Aggarwal gave him a - Tree of Friendship and requested him to plant it in earth within a week, nurture it and help it grow. He further explained him about the initiative and the significance of green credits, and told that AGGCON always cares for sustainable development & environment.

Appreciation Matters

Thank you for trusting us, and giving us an opportunity to be your rental partner. Your appreciation for our services and for our team matter for us.

It's an honour for AGGCON.

We are also glad to share that Mr Jitender Aggarwal, CMD, AGGCON, was recently conferred with "Excellence in Infrastructure Equipment Rental Services Award" by Shri Nitin Gadkari, Union Minister of Road Transport & Highways at ABP Live India Infrastructure Conclave 2024.

We believe in oneness of the infrastructure ecosystem, where all the stakeholders work together for the infrastructure development of the country.

AGGCON operators are trained and experienced and take utmost care to deliver with excellence and safety.

AGGCON is a leading and fastest growing infrastructure equipment rental companies, is committed to serve India's infrastructure sector with excellence and contribute effectively to India's infrastructure development. Our journey over the last 21 years, has been the story of conviction, path breaking rental solutions, excellence, courage, and commitment.

AGGCON welcomes Chern-Chyi “C.C.” Chen, Deputy Minister, Ministry of Economic Affairs, Taiwan

India’s economic interaction with Taiwan has gained momentum in the past decade with several bilateral agreements in agriculture, investments, heritage railways, civil aviation, DTAA, industrial cooperation, SME cooperation, and customs cooperation, among others.

AGGCON welcomed Mr Chern-Chyi “C.C.” Chen, Deputy Minister, Ministry of Economic Affairs, Taiwan at India Taiwan Industrial Collaboration Summit 2024 on 30th September 2024 at The Lalit Hotel, New Delhi, and presented him a Welcome memento and a Tree of Friendship. The Summit was organized by FICCI.

Jitender Aggarwal, CMD, AGGCON said, “India and Taiwan’s economic ties have reached a good level under current leadership and it will definitely boost trade between two countries”.

Entry of International Rental Companies will be beneficial for rental market

Mr Rohit Sood, Head – Backhoe & Rural Sales, JCB India Ltd visited AGGCON’s Head Office and met Mr Jitender Aggarwal, CMD, AGGCON over lunch. The two discussed about the planning of international rental companies to enter India market and their survival here as the working environment here is different and contracting companies work in a different manner as compared to international standards. Meeting ended on a note that the entry of international rental companies will be beneficial for rental market as this will bring international standards in Indian market for both the rental companies and contracting companies. This will help Indian rental companies to explore international markets too. Second important thing that was discussed was training the women to become operators so that women can also be employed as operators in rental industry.

CNH Industrial Team visits AGGCON

CNH Industrial Team – Mr Borzoo Ghareei Khabbaz (Director) Mr. Sorabh Singh (Regional Manager), Mr. Aman Chugh (Head Sales & Product Support), Mr Gulshan Kumar (Head Parts sales & marketing) Mr. Harshit Gupta (CE APAC & AME Manager) & Mr. Nidhinath Thakur (CE Parts Customer Support) visited AGGCON’s head office and met Mr Jitender Aggarwal, CMD. They discussed on overall market scenario, about future of rental market and opportunities in the sector.

Mr Jitender Aggarwal thanked Mr Borzoo Ghareei Khabbaz, for his distinguished service and support to infrastructure equipment rental industry and gave him thank you memento and a Tree of Friendship.

AGGCON participated in Swacchata Hi Seva Abhiyan

Even though Swacchata Pakhwada may have concluded today this year, Swachh Bharat Mission continues. AGGCON participated in Swacchata Hi Seva Abhiyan 2024 and ran cleanliness drive at all the project sites where our machines and teams are deployed.

Jitender Aggarwal, CMD, AGGCON, has said, "It's an honour to be the part of hashtag#10YearsOfSwachhBharat movement. It has sensitized all of us towards cleanliness and hygiene. It's phenomenal! Swachh Bharat is very important to have Viksit Bharat".

AGGCON has always been a crusader of Swachh Bharat Mission and believes in institutionalizing cleanliness and raising awareness about environment conservation.
