

THE WORLD OF AGGCON

*We turn challenges into
success stories everyday*

From CMD's Desk

Dear Readers,

Welcome to *The World of AGGCON*!

Let me begin by expressing my heartfelt gratitude to all our stakeholders. Your continued trust and support in FY 2024-25 mean the world to us. Thank you for allowing us the opportunity to serve you — we remain firmly committed to delivering excellence and creating seamless, enriching experiences.

On a personal note, I'd like to share a truly divine experience from the Mahakumbh at Sangam, Prayagraj, which I attended with my family. Taking the sacred dip in the Sangam felt like being immersed in a powerful spiritual energy — an overwhelming sense of blessings, faith, and positivity.

A special thanks to Hon'ble Prime Minister Shri Narendra Modi and Uttar Pradesh Chief Minister Shri Yogi Adityanath for ensuring smooth and well-organized arrangements amidst the vast gathering of devotees.

I am also delighted to share that we celebrated AGGCON's **23rd Foundation Day** on 7th March 2025.

With pride and joy, we marked 22 glorious years of our journey. On this occasion, we honoured our dedicated team members whose contributions have been instrumental in AGGCON's growth.

To further strengthen our people-first approach, we also announced the launch of the **Operators' Care Department** — a dedicated wing focused on the well-being of our operators. These hardworking individuals often work in remote areas, away from their families, and this initiative is our way of supporting them more meaningfully.

Another proud moment for AGGCON was our involvement in the prestigious **Pamban Bridge project** — India's first vertical lift sea bridge, recently inaugurated by PM Modi. As a rental partner, AGGCON played a vital role in laying its robust deep foundations, and we are honoured to be part of this milestone in India's infrastructure history.

As we welcome summer, I urge everyone to show care for our environment — especially birds. Let's place bowls of water on rooftops or balconies to help them beat the heat.

Looking ahead, we'll be celebrating **World Environment Day** and **World Yoga Day** in June. I encourage each one of you to plant at least one tree and embrace yoga as a practice for holistic well-being.

Lastly, thank you for your valuable feedback on our newsletter. Your insights help us grow and continue improving.

We look forward to keeping you updated and inspired with stories and developments from *The World of AGGCON*.

Warm regards,

Jitender Aggarwal

Chairman & Managing Director

World NGO Day celebrated at AGGCON

NGOs (Non-Governmental Organizations) play a vital role in addressing environmental, social, and governance issues, raising awareness on critical topics, and fostering community development. They are truly the agents of transformation!

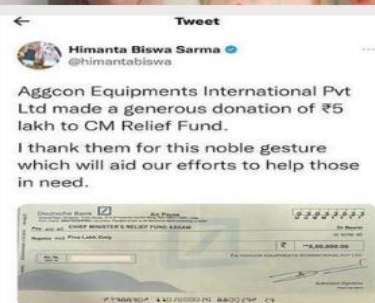

World NGO Day was suggested by Marcis Liors Skadmanis, a social entrepreneur from Latvia, to honor the significant impact of NGOs in global development.

This year's theme, "Empowering Grassroots Movements for a Sustainable Future," is especially relevant as we confront the ongoing challenges of climate change. It underscores the importance of local NGOs in promoting sustainable development and making lasting societal impacts.

At AGGCON, we are proud to contribute to environmental sustainability through our flagship initiative – Tree of Friendship. Through this initiative, we encourage tree planting and raise awareness about the importance of healing our planet.

Jitender Aggarwal, CMD, AGGCON, says, "Every person planting a tree is a revolution."

Through our CSR efforts, particularly Tree of Friendship and EWOT (Empowering the Women of Tomorrow), we focus on ESG goals and drive various social projects for communities via our NGO, AAMDRK Charitable Trust (Aggarwal Mishri Devi Radha Kishan Charitable Trust).
